

Big Lakes County Bylaw

Bylaw No-14-2026

Being a bylaw of Big Lakes County, in the Province of Alberta for the purpose of protecting and enhancing the environment through the use and operation of environmental reserves within Big Lakes County.

WHEREAS pursuant to the *Municipal Government Act* Revised Statutes of Alberta 2000 Chapter M-26 and the amendments thereto, as amended from time to time, Big Lakes County may pass bylaws respecting the safety, health and welfare of people and the protection of people and property and people, activities and things in, on or near a public place or place that is open to the public.

WHEREAS Council has deemed it necessary and in the public interest to pass a Bylaw to regulate and control the use of Environmental Reserve Lands within Big Lakes County, in order to ensure public safety and natural preservation of these lands, to prevent pollution of adjacent water bodies, and to provide public access to and beside the bed and shore of adjacent water bodies.

NOW THEREFORE under the authority and subject to the provisions of the *Municipal Government Act*, and by virtue of all other powers enabling it, the Council of Big Lakes County, duly assembled, enacts as follows:

1. Title

1.1 This Bylaw shall be cited as the Big Lakes County Environmental Reserve Bylaw.

2. Purpose

2.1 The purpose of this Bylaw is to regulate the conduct and activities of people on municipally owned Environmental Reserve lands to promote the safe, enjoyable and Reasonable Use of the lands and to protect and preserve natural ecosystems for the benefit of all residents of the County.

3. Definitions

“Abut” or “Abutting” means immediately contiguous to or physically touching, and when used with respect to a lot or site, means that the lot or site physically touches upon another lot, site or piece of land, and shares a lot line with it.

“Access” means lawful public entry onto County-owned Environmental Reserve lands for permitted recreational or environmental purposes, subject to safety, environmental, and operational restrictions established by the County.

“Act” means the *Municipal Government Act*, RSA 2000, c. M-26, and any amendments thereto.

“Agreement” means a written agreement, license, permit, authorization or other instrument executed by the County permitting a use, encroachment, storage, or activity on Environmental Reserve subject to terms and conditions imposed by the County.

“Authorization” means written approval issued by the County pursuant to this Bylaw.

“Bed and Shore” means land covered so long by water as to wrest it from vegetation or as to mark a distinct character on the vegetation where it extends into the water or on the soil itself, as referenced in the Surveys Act, RSA 2000, c. S-26, and any amendments thereto.

“Boardwalk” means an elevated pedestrian access structure constructed to provide access across Environmental Reserve while minimizing disturbance to vegetation and soils.

“Bylaw” means the Big Lakes County Environmental Reserve Bylaw.

“Council” means the Council of Big Lakes County.

“County” means Big Lakes County.

“County owned land” means and includes all land registered in the name of Big Lakes County and includes but is not limited to land under the direction, control and management of the County, including parcels of land designated as Municipal Reserve, Environmental Reserve, Public Utility Lots and Road Allowances, as well as easements and rights-of-way registered in the County’s name across privately owned land.

“Designated Officer” as defined in the Municipal Government Act RSA 2000, c. M-26, and any amendments thereto.

“Disturb” means to alter, remove, clear, compact, excavate, grade, fill, damage, mow, prune, trim, spray, or otherwise interfere with vegetation, soils, slopes, drainage patterns, or natural features.

“Earthmoving Equipment” means a machine for excavating, pushing, or transporting of material, for example a skid-steer.

“Environmental Reserve Easement” means an easement created for the purposes specified in the Act.

“Environmental Reserve” or “ER” means a parcel of land, or part of a parcel of land designated as an environmental reserve as defined under Section 664(1) of the Act or an Environmental Reserve Easement. Furthermore:

- i. For the purpose of this Bylaw, any County owned land which has any other designation described on its certificate of title other than environmental reserve under a former enactment (for example, R- Reserve) which appears to bear the traits of an environmental reserve as defined in the Act shall be considered as environmental reserve, and be subject to the provisions of this Bylaw.

“Encroachment” means any improvement, structure, building, or landscaping improvement constructed by a private Landowner which encroaches over or under the property line onto County owned land.

“Major Encroachment” means an encroachment that covers 20m² or greater in area.

“Minor Encroachment” means a non-permanent, surface-level improvement that:

- i. does not require excavation, grading, foundations, or utilities;

- ii. does not obstruct public access;
- iii. does not materially alter drainage or vegetation; and
- iv. covers less than 20.0 m² in cumulative area.

“Meandering” means to take a winding or indirect course, contains turns and curves, to minimize run-off on pathways.

“Motor Vehicle” or “Vehicle” means a motor vehicle as defined in the Traffic Safety Act, RSA 2000 c-T.6, and amendments thereto.

“Off-highway Vehicle” means an off-highway vehicle as defined in the Traffic Safety Act, RSA 2000 C-T.6, and amendments thereto.

“Order to Remedy” means an Order to Remedy issued under the Act.

“Landowner/Owner” means a Person who controls the property under consideration, holds themselves out as the person having the powers and authority of ownership or who at the relevant time exercises the powers and authority of ownership, and includes:

- i. The Person registered on title at the Land Titles Office;
- ii. A Person who is recorded as the owner of the property on the assessment roll of the County;
- iii. A Person who has purchased or otherwise acquired the property and has not become the registered owner thereof; and
- iv. A Person who is the occupant of the property under a lease, license, permit or other agreement.

“Natural State” means the condition of land substantially unchanged by human activity and characterized by native vegetation, natural drainage patterns, and undisturbed soils.

“Peace Officer” means any sworn member of the Royal Canadian Mounted Police, a Community Peace Officer appointed under the Peace Officer Act, SA 2016, P-35 and amendments thereto, and employed by the County or a Bylaw Enforcement Officer employed by the County.

“Person” includes an individual, a firm, partnership, joint venture, proprietorship, corporation, association, society or any other legal entity.

“Provincial Offences Procedure Act” means the Provincial Offences Procedure Act, RSA 2000 c. P-34, and amendments thereto.

“Reasonable Use” means lawful, non-destructive, and non-exclusive use of Environmental Reserve lands that does not unreasonably interfere with environmental protection, public safety, or the enjoyment of other users.

“Shall” means mandatory compliance.

“Strict Liability Offence” means an offence for which proof of intent is not required.

“Structural Modification” means any alteration affecting the size, footprint, support system, or intended use of a structure.

“Temporary Pier” means a non-permanent seasonal structure used for pedestrian access to water and capable of seasonal removal.

“Unauthorized Activity” means any activity on County owned land that contravenes any of the provisions of this Bylaw or the Act.

“Violation Ticket” means a ticket issued pursuant to the Provincial Offences and Procedures Act, RSA 2000 c. P-34, and amendments thereto.

“Water Body” means any lake, river, stream, creek, wetland, pond, or other naturally occurring or man-made body of water.

4.0 Environmental Reserve Regulations and Restrictions

- 4.1 Environmental Reserve must be left in its natural state or be used as a public park. This Bylaw applies to Environmental Reserve within the County.
- 4.2 No person shall restrict public access to Environmental Reserve or alter or modify Environmental Reserve or in any way disrupt or remove the natural growth of any vegetation on Environmental Reserve, except as follows:
 - i. hand-pulling weeds (as identified in the Weed Control Act, SA 2008, c. W-5.1, and amendments thereto); or
 - ii. the creation of a narrow meandering pedestrian pathway not exceeding 1.0 metre in width for access purposes, provided no grading, excavation, or machinery is used.
- 4.3 Where unauthorized removal or disruption of vegetation occurs on Environmental Reserve that is not permitted by this Bylaw, the County may require the responsible Person(s) to re-vegetate the area within one growing season. The cost of doing so will be borne by the responsible Person. Any replanting of vegetation for mitigation purposes shall be done in consultation with the County’s Agriculture Services Department to ensure appropriate native species are used.
- 4.4 Large dead or mature dying trees within Environmental Reserve may be removed by the County if where the County determines it poses a threat to public safety by windfall.
- 4.5 Manicured grass areas will only be maintained within Environmental Reserve where the County determines there is a clearly defined need for public park areas and shall only be maintained by the County.
- 4.6 The removal of vegetation along the bed and shore of a lake can promote erosion and the loss of existing land, therefore a buffer of natural vegetation must remain. No person shall disturb or alter the bed and shore of a water body except in accordance with applicable provincial legislation and approvals.
- 4.7 The County may provide designated Access to a water body over Environmental Reserve lands where the County determines such access will not result in the deterioration of Environmental Reserve. Where deterioration occurs, the County may at its discretion and without prior notice discontinue and prohibit Access to Environmental Reserve until revegetation mitigates the deterioration of the lands.

- 4.8. No Person shall operate, drive or abandon a Vehicle or an Off-highway Vehicle within or upon any Environmental Reserve except in the following circumstances:
- i. By an Abutting Landowner when permitted pursuant to section 4.9 of this Bylaw, provided the crossing is conducted in the most direct and least damaging manner;
 - ii. By a County-owned Vehicle or Off-highway Vehicle for the purposes of completing operations of maintenance or repair; or
 - iii. By an emergency vehicle as defined in the Traffic Safety Act, RSA 2000 c-T.6, and amendments thereto.
- 4.9. Access over Environmental Reserve is intended for pedestrian traffic only. Vehicular access will be permitted across Environmental Reserve twice a year for the purpose of placing and removing temporary piers and boatlifts. These structures are for seasonal use only, of a scale customary for non-commercial recreational boating use that do not unreasonably interfere with public access, navigation, or environmental protection, and are subject to Section 6.0 of this Bylaw. Notwithstanding the foregoing:
- i. no earthmoving equipment shall be permitted;
 - ii. private launching of boats (requiring a trailer) is prohibited, and all such activity shall occur in designated boat launch locations; and
 - iii. any prohibitions or activity on the bed and shore is regulated by the Province of Alberta.
- 4.10. Fire pit structures, including portable propane fire receptacles, are prohibited on Environmental Reserve.
- 4.11. The County retains the right to remove and dispose of any fire receptacles on Environmental Reserve.
- 4.12. Temporary piers and boatlifts may be stored on Environmental Reserve with prior written authorization in the form of an Agreement from the County, including the following conditions:
- i. Abutting Landowners shall apply for a one-time Agreement for the storage of up to one temporary pier and one boatlift on Environmental Reserve;
 - ii. It shall be a condition of the Agreement to allow a temporary pier or boatlift to remain on Environmental Reserve, which does not grant the exclusive right to use or occupy any portion of Environmental Reserve;
 - iii. No storage on the bed and shore is permitted;
 - iv. The temporary pier and boatlift shall be stored in the least damaging location, and no removal of vegetation shall be permitted to accommodate the storage;
 - v. The temporary pier and boatlift shall be stored in a safe manner; and

- vi. Access to the remainder of Environmental Reserve by the public shall not be obstructed.
- 4.13. If an unauthorized temporary pier or boatlift is located on Environmental Reserve lands, the County may without notice, and in addition to any other remedy available to it under this Bylaw or the Act, remove and dispose of the temporary pier or boatlift.
- 4.14. Boat, and trailer storage is prohibited on Environmental Reserve without prior written authorization in the form of an Agreement with the County.
- 4.15. Except where permitted by this Bylaw, all Encroachments on Environmental Reserve are prohibited, regardless of whether such Encroachment predates this Bylaw coming into force or not. All Encroachments shall be brought into compliance in accordance with this Bylaw.
- 4.16. In order to bring existing Major Encroachments into compliance with this Bylaw, Abutting Landowners shall, within ninety (90) days of this Bylaw coming into force, either remove the Encroachment and restore the Environmental Reserve or apply to the County for Authorization to allow the Major Encroachment to remain on the Environmental Reserve. Such application shall be decided upon by the CAO or designate taking into consideration issues of potential liability, operational, financial and public safety. Additionally:
 - i. All expenses, cost, liabilities, or other risk associated with bringing an unauthorized Encroachment into compliance with this Bylaw shall be the responsibility of the Abutting Landowner;
 - ii. All expenses, cost, liabilities, or other risk associated with the Major Encroachment shall be the responsibility of the Abutting Landowner;
 - iii. It shall be a condition of an Agreement to allow the Major Encroachment to remain on Environmental Reserve that the Landowner enter into an agreement with the County, which agreement does not grant the exclusive right to use or occupy any portion of Environmental Reserve;
 - iv. Major Encroachments with authorization from the County may be allowed to remain and minor maintenance (no structural modifications) may be allowed. If the Major Encroachment falls into disrepair the Landowner shall remove the Encroachment and reclaim the area to a natural state;
 - v. Authorization to allow a Major Encroachment to remain on Environmental Reserve shall terminate upon the land transferring to a new Landowner, unless the agreement is assigned to the new Owner in writing, a copy of which is provided to the County.
- 4.17. Abutting Landowners are required to obtain Authorization from the County for Major Encroachments onto Environmental Reserve. Such Authorizations shall be decided upon by the CAO or designate taking into consideration issues of potential liability, operational, financial and public safety. Additionally:
 - i. all expenses, cost, liabilities, or other risk associated with the Major Encroachment shall be the responsibility of the Abutting Landowner;

- ii. it shall be a condition of an Agreement to allow the Major Encroachment to remain on Environmental Reserve that the Landowner enter into an Agreement with the County, which Agreement does not grant the exclusive right to use or occupy any portion of Environmental Reserve;
 - iii. Major Encroachments with written authorization from the County may be permitted and minor maintenance (no structural modifications) may be allowed. If the Major Encroachment falls into disrepair the Landowner shall remove the Encroachment and reclaim the area to a natural state;
 - iv. An Agreement to allow the Major Encroachment to remain on the Environmental Reserve shall terminate upon the land transferring to a new Landowner, unless the agreement is assigned to the new Landowner in writing, a copy of which is provided to the County.
- 4.18. The County recognizes that not all Environmental Reserve is accessible. In instances where Access is limited due to topography, Abutting Landowners may apply for Authorization for the construction of a stairway or boardwalk on Environmental Reserve subject to the following conditions:
- i. All expenses, cost, liabilities, or other risk associated with the stairway or boardwalk shall be the responsibility of the Abutting Landowner;
 - ii. It shall be a condition of the Authorization to allow a stairway or boardwalk on Environmental Reserve that the Landowner enter into an agreement with the County, which agreement does not grant the exclusive right to use or occupy any portion of the Environmental Reserve;
 - iii. The stairway or boardwalk shall be constructed of untreated natural materials;
 - iv. To mitigate potential erosion and runoff, the stairway or boardwalk shall be free standing and elevated by design to allow for vegetative cover to remain;
 - v. The stairway or boardwalk shall not exceed 0.9 m (3 ft.) in width;
 - vi. All construction shall be in accordance with the applicable Safety Codes Act standards and regulations; and
 - vii. Authorization for footings required to support the stairway or boardwalk must be included in the agreement, including a remediation requirement at time of removal and a security requirement.
- 4.19. Minor Encroachments consisting of non-permanent surface improvements are permitted within a trail authorized under Section 4.2(ii), provided that such improvements:
- i. do not exceed 0.2 m (0.66 ft.) in height in vertical height above adjacent grade;
 - ii. do not collectively occupy an area greater than 20.0 m² (215.3 ft.²); and
 - iii. do not obstruct pedestrian access or cause environmental damage.
- Permitted Minor Encroachments include, but are not limited to:
- i. movable planters and movable border materials, including concrete blocks and untreated timber sections; and

- ii. surface-level rocks.

Additionally:

- i. all expenses, cost, liabilities, or other risk associated with the Minor Encroachment shall be the responsibility of the Abutting Landowner;
 - ii. it shall be a condition of an Agreement to allow the Minor Encroachment to remain on the Environmental Reserve that the Landowner enter into an agreement with the County, which agreement does not grant the exclusive right to use or occupy any portion of the Environmental Reserve;
 - iii. Minor Encroachments with Authorization from the County may be allowed and minor maintenance (no structural modifications) may be allowed. If the Minor Encroachment falls into disrepair the Landowner shall remove the Encroachment and reclaim the area to a natural state;
 - iv. Authorization to allow the Minor Encroachment to remain on the Environmental Reserve shall terminate upon the land transferring to a new Landowner, unless the agreement is assigned to the new Landowner in writing and a copy of which is provided to the County.
 - v. The cumulative area of all Minor Encroachments associated with a single Abutting Landowner shall not exceed 20.0 m².
- 4.20. If an unauthorized Encroachment remains or is located on Environmental Reserve more than ninety (90) days following the coming into force of this Bylaw, the County may, after making reasonable efforts to notify the responsible Person, including mailed notice to the last known address and posting notice at the site of the Encroachment, and in addition to any other remedy available to it under this Bylaw or the Act, remove and dispose of the unauthorized Encroachment. Notice mailed to the last known address shall be deemed received five (5) days after mailing.
- 4.21. In addition to and without limitation to any other exception, prohibition or restriction in this Bylaw, no Person shall do any one or more of the following on Environmental Reserve:
- i. plant, injure or remove any turf, tree, shrub, plant or any other vegetation;
 - ii. construct or place any unauthorized structure;
 - iii. excavate, dig or remove any natural feature with machinery;
 - iv. place or erect any signs, bulletin board, post, pole, or advertising device of any kind, or attach any notice, bill, poster, sign, wire, or cord to any tree, shrub, fence, railing, post or structure;
 - v. conduct or engage in any activity that causes a disturbance to anyone's peaceful enjoyment of public or private property;
 - vi. alter, deface, or remove County signs marking the Environmental Reserve;
 - vii. deposit or store building materials/ firewood/ grass clippings/ topsoil/ clay/ sand/ rock or other waste;
 - viii. discard contaminants or apply pesticides, herbicides, or fertilizers;

- ix. discard any litter;
 - x. camp or otherwise take up occupancy;
 - xi. cause or permit livestock to graze; or
 - xii. construct a retaining wall or install erosion controls without the prior written authorization of the County. Any Person who fails to produce evidence of authorization at the request of a Peace Officer as required by this provision is guilty of an offence.
- 4.22. The provisions of this Bylaw do not apply to actions and operations of the County or persons acting upon the instructions of the County in respect to any activities within Environmental Reserve.
- 4.23 All authorizations and agreements required under this Bylaw with respect to Encroachments on Environmental Reserve shall be approved by the Chief Administrative Officer (CAO).

5.0 Penalties

- 5.1 Any Person who contravenes any provision of this Bylaw is guilty of an offence and shall be liable on summary conviction:
- i. to the penalty specified for a first offence as set out in Section 5.3 or in Schedule 'A' attached hereto and forming part of this bylaw;
 - ii. to a specified penalty for a second/subsequent offence that occurs within one year from the first offence that is double the original penalty as set out in Section 5.3 or in Schedule 'A' attached hereto and forming part of this bylaw.
- 5.2. A person who contravenes this Bylaw may be subject to enforcement proceedings under this Bylaw and the Act, including but not limited to the issuance of a Violation Ticket and/or an Order to Remedy requiring the person to take whatever action or measures necessary to remedy the contravention of the Bylaw at the person's expense, failing which the County may remedy the contravention and the County's expenses and costs of remediation of the lands are an amount owing by the person to the County. Any costs incurred by the County pursuant to this Bylaw may be added to the tax roll of the property in accordance with the Municipal Government Act.
- 5.3. A person who is guilty of an offence is liable to a fine specified in Schedule 'A' or a minimum penalty of \$500.00 for a first offence doubling upon any subsequent offence for which a fine is not otherwise established in Schedule 'A'. Fines and penalties shall not exceed more than \$10,000 or to imprisonment for not more than one year, or both.
- 5.4 Each day a contravention continues constitutes a separate offence.

6.0 Compliance and Enforcement

- 6.1 No person shall obstruct or hinder a Peace Officer in the performance of their duties and responsibilities, and exercise of their authority, pursuant to this Bylaw.
- 6.2 A Peace Officer is hereby authorized and empowered for the purposes of this Bylaw

- i. to enforce any part of this Bylaw within the County;
 - ii. issue a Violation Ticket under the Provincial Offences Procedure Act;
 - iii. access or enter upon any County owned land or structure located in whole or in part on County owned land at any time for inspection for compliance with or enforcement of this Bylaw;
 - iv. order any person to cease and desist any activity on County owned land, when such activity may compromise the quality of the land, and order the remedy of any disturbed County owned land and;
 - v. remove or seize and dispose of any unauthorized Encroachment, structure, or other item located in whole or in part on County owned land in contravention of this Bylaw or the Act.
- 6.3 Where a Peace Officer finds that a development or use of Environmental Reserve is not in accordance with this Bylaw, the Peace Officer may, by Order to Remedy, order the Abutting Landowner or the Person responsible for the contravention or all or any of them to:
- i. stop the development or use of the Environmental Reserve in whole or in part as directed by the notice; and
 - ii. demolish, remove, or replace the development and restore the natural features of the Environmental Reserve; and
 - iii. take such other measures as are specified in the notice so that the development or use of the Environmental Reserve is in accordance with the Act, the regulations, any agreement between the parties, or this Bylaw, as the case may be.
- 6.4 Where a Designated Officer issues a Person an Order to Remedy in accordance with this Bylaw, the Designated Officer may:
- i. identify the unauthorized activity;
 - ii. direct the Person to take any action or measures necessary to remedy the unauthorized activity including, but not limited to, the restoration of the Environmental Reserve to its pre-disturbed state;
 - iii. the County may require the submission of environmental, engineering, geotechnical, or reclamation reports prepared by qualified professionals.
 - iv. state a time within which the Person must fulfill the Order to Remedy; and
 - v. state that if the Person does not abide by the Order to Remedy within the specified time, the County may take action or measures at the expense of the Person
- 6.5 In an occurrence where a significant removal of vegetation and/or alteration of Environmental Reserve has occurred, or actions taken have negatively impacted slope stability, an Order to Remedy may not be prescriptive in the direction as to what slopes, soil replacement or vegetation regeneration methods/species are required to remediate. To properly and effectively address the potential soil erosion, or other factors caused by

unauthorized clearing of Environmental Reserve, at the discretion of the Designated Officer, the Order to Remedy may direct the Person to whom the Order is issued to retain an environmental planner to create a mitigation plan to the satisfaction of the County.

- 6.6. Where a Peace Officer issues a person a Violation Ticket in accordance with this Bylaw, the Officer may either:
- i. allow the person to pay the specified penalty as provided for the offence in Schedule 'A' of this Bylaw by including such specified penalty in the Violation Ticket; or
 - ii. require a Court appearance of the person where the Peace Officer believes that such appearance is in the public interest pursuant to the provisions of the Provincial Offences Procedure Act
- 6.7. Where a contravention of this Bylaw is of a continuing nature, a Peace Officer may issue further Violation Tickets, provided however, that no more than one Violation Ticket shall be issued for each day that the contravention continues.
- 6.8. No provision of this Bylaw nor any action taken pursuant to any provision of this Bylaw shall restrict, limit, prevent, or preclude the County from pursuing any other remedy provided by the Act, or any other law of the Province of Alberta.

7.0 Appeals

- 7.1 A person subject to an Order to Remedy or refusal of an Authorization may in writing appeal the decision to Council within fourteen (14) days of receiving notice of the decision. Council's decision on the matter will be considered final.

8.0 Strict Liability Offence

- 8.1. It is the intention of Council that all offences created by this Bylaw be interpreted to be strict liability offences.

9.0 Liability

- 9.1. Any person authorized to place or maintain a structure or encroachment on Environmental Reserve shall indemnify and save harmless the County from any claims, damages, liabilities, or costs arising from the structure or activity.

10.0 Severability

- 10.1. Each provision of this Bylaw is independent of all other provisions. If any such provision is declared invalid by a court of competent jurisdiction, all other provisions of this Bylaw will remain valid and enforceable.

11.0 Effective Date

- 11.1. This bylaw shall come into effect upon passing of the third reading.

This bylaw comes into effect after third reading and upon signing.

Read a first time this 24th day of June, 2026
